# Welcome to Peak Dot Ranch...

*Established in 1950...*

The Moneo Family

Terry and Barbara

Carson, Lana, Koen and Riley

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2017 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Since its early beginnings our program has always been committed to producing bulls that keep the commercial cowman on the top side of the market. I believe this set of bulls will help accomplish that goal.

Our cow herd is made up of seven main cow families and you can trace their lineage back 60 years to the original foundation set of cows my grandfather would have purchased. The strength of cowherd is second to none and has endured six decades of selection pressure, rigid culling and uncompromising breeding commitment. The greatest compliment we have received from visiting cattlemen to the ranch is the consistency they see in our cow herd.

The bulls are penned and sorted by sire group with many groups of half, three-quarter and full brothers available for a more uniform and genetically consistent calf crop. There are several herd bull candidates in each group and we welcome your visit anytime prior to the sale. They sell in volume so they will be affordable in everyone's price range. All bulls are semen tested and check for soundness and ready to go to work. Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we strive to accomplish.

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. See the next page for details.

We have also put together a sensational group of replacement heifers for sale by private treaty. They are produced from our leading cow families and are a perfect set of heifers for anyone wanting to start a new Angus herd, or strengthen an existing one. Contact us for details.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The growing success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Sincerely,  
Clay and Carson Moneo

### Cull Bull Incentive Program

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. Why take a chance on bunch of open cows this fall when you can replace them with fresh strong new bulls. All you have to do is email us prior to the bull sale or bring a copy of your bill of sale from the auction market after selling your cull bulls and you will receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

#### SIGHT UNSEEN PURCHASE PLAN:

We would like you to attend the sale, but if you cannot, you can have Carson personally handle your purchase. Call him with your specification and discuss the offering, preferably a week before the sale. Carson gladly will assist you with your sale selections and represent you on sale day. We guarantee full satisfaction upon delivery or you don't own them.

Carson Moneo (306)266-4414

#### TRUCKING AND DELIVERY:

Free delivery in a 500 mile radius to central points on purebred purchases totalling \$2500.00 or more. For purchases going beyond the 500 miles we will help coordinate delivery to get the cattle to you as economically as we can. **\$100 Discount per bull if you haul your own sale day.**

#### SALE ORDER:

A sale order will be available sale day or online days ahead at [www.peakdotranch.com](http://www.peakdotranch.com)

#### TERMS AND CONDITIONS:

Cattle will sell according to the terms and conditions of the Canadian Angus Association.

#### TERMS OF SALE:

Cash or cheque, payable to the Clerk of the Sale on Sale Day.

**We also now accept Visa, Master Card and Debit cards.** Release shall not be given unless satisfactory settlement has been made with the seller.

U.S. FUNDS: Shall be accepted at the Rate of Exchange current on Sale Day.

#### U.S. BUYERS:

We welcome our U.S. customers. Peak Dot will do all the necessary testing for export. Delivery will be looked after by Peak Dot within a 500 mile radius. For purchases going beyond the 500 miles we will help coordinate delivery to get the cattle to you as economically as we can.

# No Doubt Bulls...

## Hoover No Doubt *Peak Dot Reference Sire*

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 88-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt has superior foot shape, and his first calves appear to be good footed.

Highlights of No Doubt's 50K: WW 1, YW 2, SC 10, Doc 1, HP 10, CW 9, and RE 4.

No Doubt's donor dam J2 was the lead-off, \$20,000 top-selling open heifer in the Hoover 2011 auction selling to KDS Angus. She was one of the most beautiful females they have ever produced. Kevin Sweeney of KDS Angus reports that J2 is an extremely docile female that will meet you at the gate and is a leader when he moves cattle.

The dam of Unanimous

We purchased Unanimous as the lot 1 top selling bull in the 2012 Vision Angus Bull sale. Unanimous sons have been well received topping several sales around the country. They are a true testament to him displaying impressive three-dimensional pounds, mass and body on a moderate frame. His sons are solid on their feet, very stout built and gentle to handle while his daughters are extremely feminine and broody. Unanimous has generated much excitement within the Angus breed and will continue to be a major contributor to the future of the beef cattle industry.

## Peak Dot Prime 733B *Peak Dot Reference Sire*

Prime is a powerfully built with tremendous length, volume and body depth, muscle and pounds. He offers a bit more bone and stands on a very sturdy frame. He was selected by Alta genetics from the 2015 Spring bull sale and added to their sire roster. His gorgeous dam has been a very consistent embryo producer resulting in high caliber progeny no matter who she has been mated to. She is one of the most influential cows at Peak Dot and along with several of her daughters will lead the way as we continue to stack our cowherd with fertility, longevity and maternal value.

# Cash Flow Bulls ...

## KR CASH FLOW *Peak Dot Reference Sire*

Cash Flow was the lead bull from the 2014 NWSS Reserve Champion pen. He went on to become the high selling Barstow Cash son in the spring of 2014. We purchased this bull along with Semex for his extended length of body, wide pin setting and exceptional overall thickness. His ET dam is backed by a Pathfinder grandam. His first progeny are thick made cattle with muscle expression and volume throughout.

SAV Topsoil 4354 was a feature from the 2015 SAV sale. We purchased this bull with Alta Genetics. He combines all the power, sheer thickness and performance from SAV Harvester combined with the calving-ease, phenotype, and maternal strength of SAV Bismarck.

His Bismarck dam is the second lowest birth EPD cow in the entire SAV herd. She is blessed with striking femininity, superb udder quality and abundant milk.

Topsoil Pathfinder grandam is a full sister to SAV 004 Predominant 4438.

Topsoil sired a high quality set of sons and daughters at Peak Dot including a top notch very consistent set of bulls for this sale event.

Element was the lot 1 top selling bull we purchased from 4M Angus in Blue Hill Nebraska. We later sold an interest to Semex Beef where he became a leading member of their sire roster.

Element combines calving-ease with added growth and muscle shape from a maternally superior cow family. Two daughters of Riverbend Blackbird 4302 are featured donors at 4M Angus, one of which is the dam of Element. Another daughter of Blackbird 4301 is a featured donor for Vintage Angus and Herbst Angus. She is the dam of VAR Reserve, VAR Generation, and VAR Frontier.

The first 100 Element progeny born have averaged 73lbs for females and 77lbs for male.

Element offers one of the largest EPD spreads from -0.8 BW to +82 WW and +138 YW.

He was mated to the majority of the heifers at Peak Dot in 2015 and in 2016. Element will comprise one of the largest sire groups being born at Peak Dot in 2017.

Elements first set of calving-ease sons are sure to be a highlight of this event.

Gaffney Game Changer, the all-time record-selling bull in Gaffney Family Cattle history at \$295,000 to Herbster Angus. His dam is the all-time record selling \$175,000 female at the National Western Stock Show foundation Female Sale also going to Herbster Angus. She is a full sister to RB Acitive Duty and a maternal sister to the popular RB Tour of Duty. The first calves are on the ground now and they come light and grow as fast as some of the true poundmaker calf groups. Game Changer will be a "go to" calving ease sire in the Angus breed.

SAV Eliminator 9105 is the powerful lead off Rito 707 of Ideal 3407 7075 son selected by Peak Dot and Johnson Livestock as a \$95,000 feature of the 2010 SAV Sale. He was the #1 marbling bull of his calf crop with an IMF ratio of 155 and scanned a 365 - day REA of 15.8 inches with a yearling scrotal measurement of 41 cm. Eliminator has consistently sired pounds, length, sheer thickness and extreme muscle density. Again this fall at weaning the Eliminator calves came in big, thick, husky and heavy. Eliminator breeds true and his consistency is unparalleled.
